

FRANK ROSENSKI, DEAF MUTE, WAS KILLED AT UTICA BY INTERURBAN

UNMINDFUL OF DANGER
WALKS IN PATH OF
ON RUSHING CAR
WIFE NEAR DEATH

UTICA RESIDENT, KNOWN AS
"DUMMY ROSE" MEETS TRAGIC
DEATH--UNABLE TO HEAR
WARNING SIGNALS OF MOTOR-
MAN.

Frank Rosenski, deaf mute, aged fifty-six years, known as "Dummy Rose," was instantly killed yesterday afternoon at 4:30 o'clock, when struck by a west bound interurban car, two blocks west of the Utica station. The car was in charge of Conductor Herman Yennet and motorman Robert Stille, both of Ottawa. Unmindful of the danger as he was walking in the path of the fast moving car, Rosenski, because of his deafness failed to heed the shrill whistle of the car as the motorman signalled him.

Three sharp blasts were given, yet the unfortunate man, walking with his head down, continued to walk eastward. The car did not slow down, as the motorman expected the man to step off of the right of way at any minute.

When within a short distance of Rosenski, and seeing that he apparently did not heed the warning signals, the motorman applied the brakes, but too late. The life of the man was sacrificed. Rosenski is also said to be blind in one eye.

When the car stopped, Rosenski's skull was crushed and one arm severed. He met death instantly.

Rosenski had been at the home of Elmer Ames in Utica to secure some plants for gardening, and he started to walk up the tracks when he met death.

Wife is Nearly Killed.

Rosenski's wife, also a deaf mute, nearly met the same fate, when she went in search of her husband. Mrs. Rosenski was walking along the right of way when an express car approached. She, like her husband, was unable to hear the warning signals and had not the motorman of the car succeeded in stopping his car in time a double tragedy would have visited the Rosenski home.

Inquest Thursday.

The inquest will be held tomorrow morning at 9 o'clock at the Coleman undertaking rooms.

Rosenski was well known in this city, he having resided here prior to his removal to Utica. He leaves a wife, a daughter and parents surviving. Rosenski was an uncle of "Dummy Rowan," well known pugilist.

MISS DOROTHY GILLEN WEDS SON OF OAKLAND, CALIF. CLERGYMAN

Miss Dorothy Gillen, daughter of Mrs. H. J. Gillen, and Irving Herbert Pfaffenberger, son of Rev. L. C. Pfaffenberger, of Oakland, California, were united in marriage last evening at 8:30 o'clock at St. Columba parsonage. The couple were attended by Mr. and Mrs. Robert Green, Rev. Dean Quinn officiated.

The bride was attired in a white silver cloth dress and carried a bouquet of lilies of the valley.

The bride is one of Ottawa's popular young ladies, having been a prominent figure in the social events of this city. She is a graduate of St. Xavier's academy and the Cosmopolitan School of Music of Chicago, and is a member of the Amateur Musical club and Ottawa Drama club and organist of the St. Columba church.

The groom is a member of the faculty of the Edison school in Berkeley, California.

Mr. and Mrs. Pfaffenberger will spend their honeymoon on an eastern trip and will make their home in Berkeley.

MAIL EMPLOYEES BUY \$3,000 WORTH OF LIBERTY BONDS

Uncle Sam's employees in the post office here are rallying to the appeal to purchase Liberty Bonds. Nearly \$2,000 worth of Liberty Bonds have been purchased by the clerks and carriers of the post office during the last few days.

SOLONS WILL TRY TO REDUCE BILLS; MAY DO PRINTING

MULTIGRAPH MACHINE WOULD
SAVE COUNTY GREAT SUM
AVERS SUPERVISOR GEIGER--
AXEL HEIBERG WOULD OPER-
ATE MACHINE IN HIS OFFICE.

Here after you'll hear of the La Salle County Printing Co., for a few of the corn field solons, members of the board of supervisors are seriously considering purchasing a multigraph and thereby save the county great sums of money in their printing. Every now and then the august board starts out on an efficiency campaign when a few alleged efficiency engineers contrive how to put money in the county coffers.

One of the ardent supporters of the multigraph machine is Supervisor Geiger, of Peru, but it remained for Supervisors Wylie and Bell to throw cold water on his plans.

They wanted to know who was going to operate the machine, and it was learned that a young man will be sent to Chicago, taught to operate the great money saving device and then started upon the task of printing a greater part of the county's literature. Of course, they admit there are a few things that cannot be printed on the machine. It is hardly possible that the solons will issue a special edition while they are in session. It's lead "pipe" since, however, to print affidavits and claim blanks, they say.

A representative of a company, proposing to install the machine was present, and told of the large corporations who had same such devices in use.

If the machine is purchased County Auditor Heiberg will be foreman of the job, for it will be in his office that the printing press and printer will make his headquarters--no printers' devils will be allowed in the place.

The board will decide tomorrow whether or not they will spend \$884 for the machine and thus produce a great saving or whether the work will be done by outside printing shops.

Fees and Salaries Fixed.
It was decided that \$5 per day would be sufficient for the members of the board of review, \$25 to be the pay for the clerk and \$75 for the members.

Judge C. S. Williams, who assisted in the office of the probate clerk will be paid for his work, it was decided by the members today.

Adjournment was taken until tomorrow morning at 10 o'clock.

MANY MINIATURE JOANS TODAY SAYS GERALDINE FARRAR

The world's history offers an extraordinary and wonderful example for the twentieth century woman in Joan of Arc, the patron saint of France, according to Miss Geraldine Farrar. The famous Metropolitan Opera prima donna has just completed three months' work in California acting the role of Joan of Arc in a massive motion picture produced under the direction of Cecil B. DeMille and entitled "Joan, the Woman." It will be shown at the Gayety theatre Sunday only, matinee and night, June 17.

"Joan of Arc lived five hundred years ago, yet the problems she met and mastered, rising in the end to achievements to which no other woman, either before or after her has attained, are the problems universal to women of all ages," said Miss Farrar. "It is not as if another Joan of Arc will rise from our midst in this generation to be commander-in-chief of a great nation's army, but in their small way thousands of women in all parts of the world are miniature Joans."

OH JOY! GIRLS, HIGH HEELS TO REMAIN

Springfield, Ill., June 12--Illinois will not regulate the height of the heels of its women's shoes. The senate today, after having considerable fun at the expense of Representative Kirby, introducer of the heel regulation measure, voted almost unanimously to kill it by striking out the enacting clause.

The bill was joshed through the house, but the senate made short work of it.

MAKE FIRST ARREST IN DRAFT CAMPAIGN; OFFENDER IN JAIL

ITALIAN PLACED BEHIND BARS
AT COUNTY JAIL AFTER HE AP-
PEARED HERE TO HAVE SELF
REGISTERED--PLEADS IGNOR-
ANCE.

Frank Jandolfe, an Italian aged about 25 years, is the first man to be locked in the La Salle county jail for failure to register on June 5. Jandolfe surrendered himself to Sheriff Davis late yesterday afternoon and was immediately placed behind the bars at the county jail, where he will be held until department of justice officials dispose of his case.

Pleading ignorance of the law Jandolfe, who had been in Aurora for several weeks, but who is a former resident of Cedar Point, appeared at the county clerk's office and asked to be registered. Only a short time before his arrival at the clerk's desk a message had been delivered announcing the close of registration and ordering the detention of any who were late arrivals for registration cards.

Jandolfe was accompanied by Steve Capra, who served as interpreter and interpreter. Capra operates the Washington house and was instrumental in getting Jandolfe to submit at once to federal mandate, but his intercessions were of no avail when County Clerk Bach explained the ruling that forbade his entering any more names upon the register.

Didn't Understand Law.

Asked to explain his reasons for not complying with the law, Jandolfe stated he was an alien and did not think he had to give his name and other facts demanded by the draft regulations to the government. He said he had been in the country for six years, but never had made application for naturalization papers. He begged not to be locked up, but as there was no other alternative he was escorted to the county jail and there placed in the woman's department until federal authorities investigate his case.

Shortly after Jandolfe was taken in custody the office of Hinton G. Clough, at Chicago, was notified of the arrest. The chief of the government's central department will place operations on Jandolfe's trail and should it be found that he acted in good faith and purely out of ignorance of the law, it is possible that clemency will be shown him and that he will be permitted to register and go on his way rejoicing.

Another Arrest Expected.
Sheriff Davis and his aids are on several leads that are expected to end in arrests or registration offenders. One young man in Grand Rapids Township is under surveillance and his apprehension is expected momentarily.

He, too, is said to be an alien who claims ignorance of the law as his excuse for his failure to sign up for prospective service in Uncle Sam's conscription army. His arrest may be brought about before night.

A second lead on an American offender is being closely pursued. He is said to have perjured himself on his age, and until a thorough investigation has been made of his case no information will be given out by Sheriff Davis.

HELLO GIRLS QUIT MARSEILLES POSTS FOR MORE SALARY

Three employees of the central station of the Marcellus Telephone Co. walked out on a strike yesterday. They were Miss Eva Allen, Mrs. Pingleton and Mrs. Hardy. More pay was demanded, but President Workman asked them to wait until a new 3-hour law pending in the legislature was disposed of. The employees did not wait, but walked out. Mrs. Arnold and Mrs. Hartford, the latter a daughter of the president, have been answering the calls and according to an official of the company there are others with experience who will take the night shift.

GLENN WEESE WILL QUIT COUNTY OFFICE

Attorney Glen W. Weese, son of Dr. and Mrs. Weese of this city, will resign as county attorney, according to the announcement he made this morning to a Free Trader-Journal reporter. Mr. Weese has been stationed with the members of Company C at Joliet, quelling the prisoners there as a result of the recent riots. Last evening he secured a leave of absence to attend the session of the Board of Supervisors. He will probably tender his resignation at the meeting of the board Thursday.

Matrimony is the postgraduate course in a woman's education.

VROOMAN TO ADDRESS ILLINOIS FARMERS

PRAIRIE FARMER'S PICNIC AT
BAILEY FALLS WILL ATTRACT
10,000 OR MORE PEOPLE--COUN-
TY BETTER FARMING ASS'N
HELPS IN PROJECT.

Assistant Secretary of Agriculture Carl Vrooman will be the principal speaker at the state farmers' picnic to be held at Bailey Falls Farm, June 30, according to announcement made today by the editorial department of the Prairie Farmer, sponsors of the outing. Hundreds from Ottawa and surrounding country will attend the outing, while nearly all members of the La Salle County Better Farming Association, who are assisting in making the picnic the success it deserves to be, will make it a point to be there on that day.

This picnic is a state-wide affair and it is expected that from ten to fifteen thousand Illinois farmers will be in attendance. This is the third big state picnic held under the auspices of Prairie Farmer, the first being held on Frank I. Mann's farm at Gilman, and the second on the Funk Farms at Bloomington.

Secretary Vrooman will bring to the Illinois farmers gathered at the picnic the latest word from Washington relative to the farmers' duty and opportunity in the great war. He will make the trip from Washington especially to be at the picnic, as he considers this a splendid opportunity to consult with the Illinois farmers regarding national agricultural problems.

Another noted speaker who has been secured for the picnic is Prof. H. H. Kildee, of the Minnesota Experiment Station. Prof. Kildee is one of the most noted dairy cattle judges in the United States and his talk along this line, illustrated by using some of the splendid Guernsey cattle on Bailey Falls Farm, will be of interest to every farmer.

DRUNK RESISTS MEN WHO TRIED TO TAKE HIM TO CITY JAIL

A man giving his name as John Rooney and his home is in Chicago, today was yanked before Squire Geo. Koenig to explain his conduct yesterday when he resisted arrest by Deputy Sheriff Arthur Barrett and Officer Jerry Looney.

Rooney, who was well jagged when the officials overtook him in front of Bradford's laundry on Clinton street, objected to his being taken in custody and fought so stubbornly it became necessary to bind his arms and feet. The officers overpowered him without the use of their "blackjacks" and he spent the night in jail.

When taken before the judge he admitted his guilt and was assessed the customary fine. Rooney refused this morning to throw any light on his identity. He is a laborer.

ST. XAVIER'S EXERCISES AT O. H. S. JUNE 15TH

Reserved seats for commencement exercises of St. Francis Xavier's academy, which event occurs next Tuesday evening, June 19th, will be placed on sale in the office of the Ottawa Township high school Friday morning, June 15th. The tickets will remain on sale there during the morning and then the board will be taken to Geiger's bakery, where tickets can be purchased until Tuesday evening.

The general public is earnestly requested to attend the exercises and see the class of work the good sisters are doing with their pupils. For fifty years they have been doing the same thing, quietly, skillfully, earnestly. The large auditorium should be filled on the occasion of the annual commencement.

FATHER MCCARTHY WILL LEAVE CITY; GOES TO DANVILLE

Father J. J. McCarthy, assistant to Dean Quinn, will leave St. Columba parish next Wednesday. His successor, Father Dunn, from Massachusetts who was recently ordained to priesthood, June 2, at the Peoria cathedral, will come here Friday.

Father McCarthy, at the request of the government officials, has been appointed Chaplain of the soldier's home at Danville. Father McCarthy's friends will be sorry to hear of his going, as he was one of the most brilliant young priests that ever assisted Dean Quinn.

Lightning Kills Cow

A valuable cow owned by Herman Knoll was killed last evening when it was struck by lightning.

Cooked crabs' claws are nibbled by the people of Seville, Spain, more for pastime than for sustenance.

SALE OF LIBERTY BONDS IS FALLING SHORT OF MARK SET

ONLY \$148,000 HAS BEEN SOLD
THUS FAR--CITIZENS MUST
"PEP" UP IF THEY WOULD SET
MARK ESTABLISHED FOR THIS
CITY.

Ottawa will have to "pep" up if it's going to do its bit in the purchase of liberty bonds. This city will have to "go some." If the sale is to reach \$400,000, which amount it was anticipated would be raised in this city.

Exactly \$148,000 has been sold in liberty bonds up to three o'clock this afternoon, according to the canvass made by a Free Trader-Journal reporter of the four banking institutions of this city. The National City Bank leads the list.

The following is the figures that were given by officials:
National City Bank \$ 65,000
First National Bank 57,000
Ottawa Banking & Trust Co. 23,000
The People's Trust & Savings Bank 3,000
Total \$148,000

Boy Scouts Aid.

The Ottawa Boy Scouts accomplished their bit by selling \$6,500 worth of bonds by soliciting subscriptions. The high school military cadets distributed the literature for the sale of the bonds, which work was to have been accomplished by the Boy Scouts of this city.

DR. PETTIT TELLS GRUNDY SOLONS ON SANITORIUM NEEDS

Members of the board of supervisors of Grundy county yesterday afternoon received expert advice on the needs of the county for a place to care for its tuberculosis patients, says the Morris Herald.

Dr. Pettit, of Ottawa, recognized as a national authority on the cure and care of white plague victims urged on the board the need of a hospital for tuberculosis patients.

He declared that the hospital would pay for itself in eliminating the need of caring for tubercular persons thru the county poor agent, and that it would pay for itself in future generations by having helped stamp out the great white plague.

"We can get rid of tuberculosis in this generation if we go about it right," Dr. Pettit told the board.

He advised the erection of a tuberculosis pavilion on the grounds of the Morris hospital.

"You have ample room there," he explained, "and such an institution under the management of the present hospital--but in a separate building--would not increase the overhead cost of running the hospital a single dollar."

"There is not the slightest danger of handling tuberculosis patients there. There would be no danger in handling them in the same building provided they were in a room by themselves. They cannot be handled in connection with other cases in a single ward."

"I am proving my sincerity in this by erecting a general hospital on the grounds of my tuberculosis hospital in La Salle county. I can operate that hospital without increasing the overhead expense of my tuberculosis hospital, and without risk to the patients in the general hospital."

"You men should realize that something must be done. Now is the time to do it."

Dr. Pettit suggested several methods of dealing with the tuberculosis menace in this county. He also showed plans of the Ottawa sanatorium.

FAREWELL GIVEN FOR JAY SHAVERS

About seventy neighbors and friends of W. Jay Shaver and wife met at their home in Rutland township to bid them farewell before they left for their new home in Holston, Montana.

On behalf of their friends, Fred Spencer presented Mrs. Shaver with a smoking cabinet. Mr. Shaver thanked them. Refreshments were served and a good time had by all present.

Sues for Divorce.

Mrs. Florence W. Farrell, nee Strawn, has instituted divorce proceedings in the circuit court against her husband, Thomas S. Farrell, of near Marcellus, alleging habitual drunkenness. The Farrells were married July 27, 1912, and separated on April 7, 1917. They have three children, the two oldest of whom are with the parents of the defendant, and the youngest with the mother.

PERSHING ARRIVES IN FRANCE; GREAT OVATION FOR U. S. FIGHTER

HETZEL BABE DID
NOT HAVE CHILD
PARALYSIS--EAST

DR. EAST, OF STATE BOARD OF
HEALTH, HERE YESTERDAY--
COMMENDS DR. PIKE FOR TAK-
ING PRECAUTION TO GUARD
CITY'S HEALTH.

Ottawa has no infantile paralysis. The sickness of little Ella Elizabeth Hetzel, seven months' old daughter of Mr. and Mrs. Henry Hetzel, of 917 La Salle street, was found not to be infantile paralysis upon the visit of Dr. East to this city yesterday.

When Dr. W. A. Pike made the diagnosis of the sickness of the Hetzel babe he stated that he was not so sure the child had the dread infant malady, but that there were symptoms of the disease and for that reason had the home quarantined.

In order to make positive of his diagnosis Dr. Pike asked that a physician from the State Board of Health come here, and following a consultation of physicians it was decided the malady was some intestinal trouble, due probably to typhoid fever.

Dr. Pike was commended for taking precaution in guarding the city's health.

Sign Torn Down

The sign announcing the quarantine has been torn down. Dr. Pike, in talking with a Free Trader-Journal reporter stated this afternoon that there was no other cases of infantile paralysis and that the city was practically free of contagious diseases.

As yet no word has been received from the State Board of Health as to when the inspection of Ottawa's municipal bathing beach will be made.

FRENCH TROOP SHIP SUNK BY SUBMARINE; FIGHTERS SENT DOWN

Paris, June 12--The French steamship Sequana, carrying Senegalese troops, has been sunk by a German submarine with the loss of 190 lives, according to information received here today. The Sequana was attacked in the Atlantic and was sent down with a torpedo. There were 500 Senegalese on board at the time.

The fact that there were soldiers on the Sequana indicates that she was being used by the French government as a troop ship. The vessel was built in 1898 for the South Atlantic Navigation Co. and displaced 5,557 tons. She hailed from Bordeaux.

Freighter is Lost.
New York, June 13--The five thousand ton Leyland Line freighter Anglin, has been sunk, according to a Liverpool cablegram to the local offices of the line today.

The cable carried the bare fact that she had been sunk, giving no details regarding the crew. She plied between Boston and Liverpool and is believed to have been caught on her eastern trip before reaching the British port.

Craft Hits Mine.

Boston, June 13--Word was received here today that the British steamer Mahopac, 3,619 tons, carrying a million dollar cargo of cocoa, leather and machinery, struck a mine in the English channel, and was beached on the English coast. The Mahopac was formerly the Minnesota of the Atlantic Transport line.

NATIVE OF COUNTY PARALYSIS VICTIM

Mrs. Richard McGuire, a native of La Salle county, died at her home in Morris following a brief illness of paralysis. Death came Monday night, Friday, while Mrs. McGuire was working on the family washing she suffered a stroke of paralysis and slowly sank into death.

Her maiden name was Catherine Keefe and she was born in La Salle county, north of Seneca, where she was reared to womanhood. The date of her birth was January 15, 1852 and she was in her 66th year.

In February, 1869, she was married to Richard McGuire in Seneca and they lived there until 1874 when they moved to Morris.

Of their marriage was born five children, four of whom are living, beside the husband--William of Blue Island; David, of Morris; James, of Marcellus, and Miss Minnie, of Morris.

ENTHUSIASM SHOWN BY
PARIS AND LONDON
NEWSPAPERS

GREEK KING QUILTS

CONSTANTINE ABDICATES
THRONE AT INSTANCE OF EN-
TENTE ALLIES IN FAVOR OF
SECOND SON.

Paris, June 13--Major General John J. Pershing, commander of the American forces that will fight in France, arrived at Boulogne from London today.

General Pershing is expected in Paris tonight.

Advices from Boulogne said that the American commander was given a tremendous ovation.

The Temps today said:

"General Pershing was born with the vocation of fighting. We believe the American forces will surprise every one, most especially the Russians. Petrograd will understand when it sees America so resolved to beat Germany that she is risking her military prestige on the battlefield even before the moment has come for engaging her full forces. The United States is emulating the example of the old time official who threw his baton into the enemy's line and then vowed to recover it."

General Pershing was met at Roulogne by General Pellerin, representing the French Government and army; Commandant Hueb, representing the war ministry; General Lucas, commanding the northern military zone; Col. Daru, governor of Lille and a guard of honor, composed of British soldiers and marines. The vessel carrying the distinguished American soldier was conveyed by torpedo boat destroyers and hydroaeroplanes. It flew the American flag and after being docked a band on board played "The Star Spangled Banner," and the "Marsellaise."

General Pershing will be formally welcomed upon his arrival here by Premier Viviani, Minister of War Painleve, Marshal Joffre, and General Foch.

The American will be escorted thru the streets of Paris from the North Station to his headquarters by a special French guard of honor.

The city is brilliant with flags.

British Impressed by Pershing.
London, June 13--Col. John Buchanan, one of the British staff declared today that officials of the war office have been most favorably impressed by General John J. Pershing, the American commander and his fellow officers.

"Their keenness and zeal are wonderful," said Col. Buchanan. "There is no doubt that the attainments of Pershing's staff are equal to those of any other staff in the world."

50 Planes Raid London.
London, June 13--The biggest air raid ever attempted against England was made today when fifty German aeroplanes attacked London. The eastern part of the city was heavily bombarded.

The raiding machines were heavily shielded by high angle guns and were attacked by patrolling British airmen.

Up to date the most pretentious aerial attack was one made recently by sixteen German air craft. In the raid 76 persons, including a number of women and children were killed and more than 100 wounded.

The raid was made in broad daylight and was marked by a spectacular battle in the clouds.

The following statement was issued by Lord French chief in command of the home forces through the government Press Bureau:

"Fifteen hostile aeroplanes were heard cross The Nore about 11 a. m. They proceeded in the direction of London, separating when they had covered half the distance. The east of London was attacked and bombed, but no reports of casualties or damage have been received. Anti-aircraft guns of the London defenses were in action. A large number of our aeroplanes went up in pursuit."

The Nore is at the Estuary of the Thames.

London, June 13--The entry of the United States in the war was today credited with being largely responsible for the abdication of King Constantine of Greece in favor of his second son, Prince Alexander.

Constantine not only exerted an autocratic sway over the Greeks, but was strongly suspected of planning
